## HELLO WINE DRINKER

Nothing tastes better than a good glug of passion, and thanks to Suzy our wine super sleuth that's all you'll find on this lip smacking menu.

Our family-owned wine merchant Cockburn & Campbell was founded way back in 1796 and was originally owned by the brothers behind Cockburn Port. Now in the capable hands of Suzy and her travelling nose we find ourselves slurping Alta Vista from the heady heights of the Andes, Pasqua from Shakespeare's playground in Verona, Mission from the oldest vineyard in New Zealand [a contradiction if ever there was one!] and Albariño from the rolling hills of Galicia. Perfect.

Whether you are a glass half full or glass half empty kind of person, you'll always have room for another half a glass. To Suzy our "Chief Nose" we thank you
